

L.I.2.c

This ELA unit provides resources to use while teaching the standard **L.I.2.c**, which states that students will be able to **"Use commas in dates and to separate single words in a series."**

Using This Unit

Let's look at the structure of this unit.

Lesson Plans

- There are 5 steps in the lesson plan of this unit. Depending on how long you have for mini lessons for Language, you can choose to do all 5 steps in one day or break it up over 2-4 days. I suggest at least 10 minutes for your daily lesson, then 15-20 minutes+ for practice time. Putting your activities together may take a week to complete.

Graphic Organizers

- These can be used throughout the unit as you see fit. You can use them with your lessons if you need more or use them within their partner/independent time.

Centers & Interactive Notebook Pieces

- These can be used throughout the unit as you see fit, too. They can be used during group work, down time, or however they fit into your current ELA block structure.

Assessment

- There is one informal assessment activity at the end of the lesson plan. When you're finished teaching your unit, use this assessment with your students.

Mini Lessons

There is a lesson plan outline in this unit. There are five steps within this unit, which may take about a week to complete, depending on how long your ELA block is. Activities range from group work, partner activities, whole group lessons, and independent activities.
