What Teachers Have Said...

"I was able to use this with ease for progress monitoring, morning work, warm-up activities. It was extra practice for kids who have these skills, and challenging enough for those who have not."

"My students enjoy these lessons and I love the lessons also including the small group work. I mostly used these for my reading small groups for reteaching and enrichment."

"This resource is amazing. Great way to introduce these standards to students. It gives ideas on teach but activities to get the kids involved and practicing the skills. Resources are colorful and picture cards are engaging to students."

Mini Lessons

There is a lesson plan outline in each unit. There are 4-5 steps within each lesson plan, which may take about a week to complete, depending on how long your ELA block is.
