These digital task cards are the same reading passages from my RLI comprehension task cards. They've just been recreated into full-sized Slides.

These reading passages are meant to be used with Google Slides.

To open each set of comprehension task cards, click on the standard boxes on the following page. These links will open Google Slides presentations that contain 5 passages per standard that are specific to each RL standard.

## What you need:

- A Google Classroom account

## What to do:

- Open document using links on next page.
- Click "make a copy". This will be your master copy. Name it whatever you'd like.
- Make another copy to share with your students. Get the shareable link using the 'Share' button in the top right corner.

## Options for sharing:

- Copy the *specific set of slides* you need and share it with your students.
- Share the *entire presentation* for them to fill out by a certain date or for use when they are reading independently.
- Create a comprehension task card folder for your students to access whichever ones they want/need.
