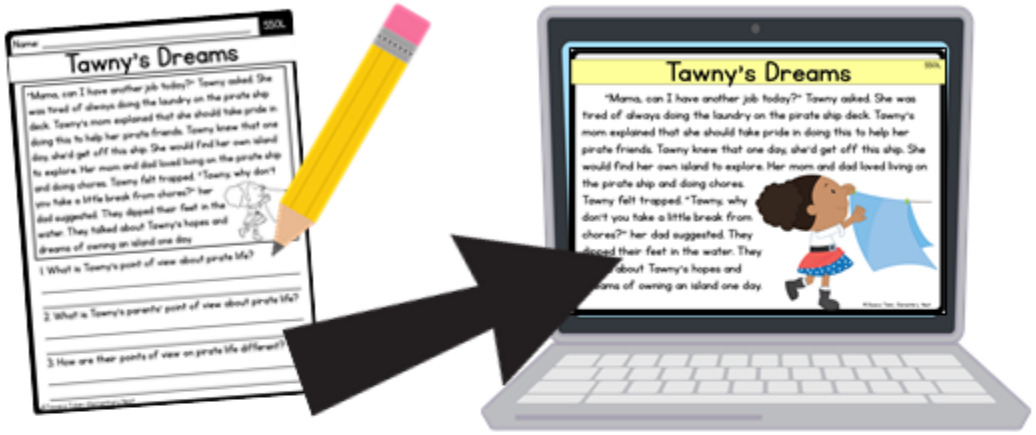
Created by Jessica Tobin

Please read!

These digital passages are the same reading passages from my RL2 units. They've just been recreated horizontally and put into Google slides.



These reading passages are meant to be used with Google Slides.

To open each set of reading passages, click on the standard boxes on the following page. These links will open Google Slides presentations that contain between 5-10 digital passages that are specific to each RL standard.

What you need:

-A Google Classroom account

What to do:

-Open document using links on next page.

-Click "make a copy". This will be your master copy. Name it whatever you'd like.

-Make another copy to share with your students. Get the shareable link using the 'Share' button in the top right corner.

Options for sharing:

-Copy the *specific slide* you need and share it with your students.

-Share the *entire presentation* for them to fill out by a certain date or for use when they are reading independently.

-Create a graphic organizer folder for your students to access whichever ones they want/need.
