Feedback from Teachers

"This is awesome homework. It is aligned to the standards providing a review of previously taught standards or an intro for upcoming standards."

"This provides a great review for my first graders. It is simple to use and send home."

"This was a great resource for my first graders. The information and worksheets were perfect. Very organized and interesting content."

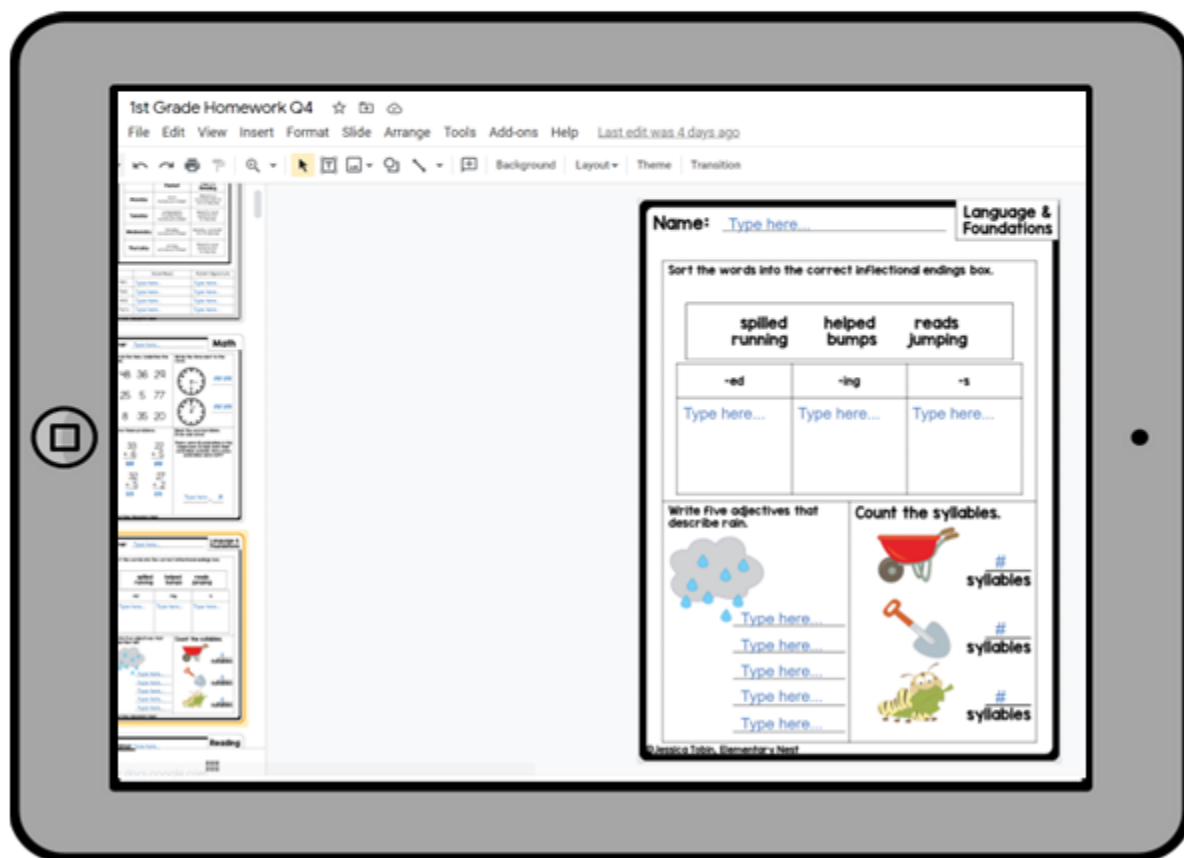

"Simple and easy to prep for homework. Students enjoyed the different activities. I liked how everything was broken up so it was not overwhelming for students."

"I love the ease of printing these and that they cover everything."

"The pages kept my students challenged and excited for the next days work."

Digital Also Included

There will be a link on page 5 within this PDFs to a digital conversions of these documents. This will open the homework set in Google Slides.

Skills Covered in Quarter 1
