### Winter

Winter Weather  
Weather in the winter can be very dangerous. Some of the reasons that it can be dangerous is because snow and ice on the roads and sidewalks make it harder to drive and walk. Freezing temperatures can also harm people if they are outside too long.

Winter Sports  
Some people really enjoy the winter because of the activities they can do. Some of these activities are winter sports. Winter sports can be done in a backyard, a competition, or even at the Olympics. Some examples are skiing, snowboarding, and ice skating.
