Tim picks apples off the tree.

Name: _____

Apples For Us

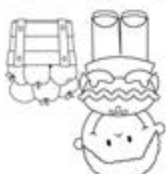

Restate the question and answer in a complete sentence.
Where were the characters at the beginning?

Jill said that she would eat all the apples that were left.

Apples For Us

Pete used Tim's apples to make an apple pie. It was very good.

When we went to the apple orchard, Tim went up in the tree to pick apples.

Name: _____

Apples For Us

Restate the question and answer in a complete sentence.

Jill did not achieve the task that was given to her. Instead of doing what she was asked to do, she sat on a log and ate three apples.

Apples For Us

Using Tim's apples from the trees, Pete had to make four apple pies. He worked in the kitchen all day long, but it was worth it because they were delicious.

At the apple orchard, my family gave out tasks. Each person had a different job to do. Tim was given the tough job of picking the apples from the tall trees.
