

RF.3.3.d

This ELA unit provides resources to use while teaching the standard **RF.3.3.d**, which state that students will be able to **"Read grade-appropriate irregularly spelled words."**

Using This Unit

Let's look at the structure of this unit.

Pre-Assessment

- There is one-page assessment included at the beginning of this unit. It also comes with structured directions so that you can assess the students on the true skill and not their reading comprehension.

Lessons

- There are 3 mini lessons in this unit. Each mini lesson will likely take more than one day to complete, so you can break them up over the course of one to three days. It all depends on how much time you have for your ELA block. For Foundational Skills, I suggest at least 10 minutes for your mini lesson at least twice a week, then 15-20 minutes+ for practice time (which can be done during small group, centers, or learning stations). Putting your mini lessons together may take between one to two weeks.

Graphic Organizers

- These can be used throughout the unit as you see fit. You can use them with your lessons if you need more or use them within your independent reading time.

Hands-On Centers

- These can be used throughout the unit as you see fit, too. They can be used during partner reading time, independent reading time, or a continuation of a mini lesson you think they need more time with.

Interactive Notebook Pieces

- Use these resources as you see fit. If you do centers or hands-on learning time, include these pieces within the centers for extended practice.

Assessment

- There is two-page assessment included at the end of this unit. It also comes with a script and structured directions so that you can assess the students on the true skill and not their reading comprehension.
